رسالة المدير العام

أولياء الأمور الأعزاء،

أتمنى أن تصلكم رسالتي و أنتم في صحة و أمان وقد قضيتم أسبوعاً رائعاً مع أسركم. لقد سررنا جميعاً برؤية انخفاض عدد حالات الكوفيد 19 في دولة قطر. وقد انعكس ذلك في مجتمع مدرستنا ، مع عدد أقل بكثير من الحالات هذا الأسبوع مقارنة بالأسابيع السابقة. و هو أمر مشجع للغاية.

كان حضور الطلاب لهذا الأسبوع جيداً في المدرسة الابتدائية و الثانوية على حد سواء. كان ذلك بفضل دعمكم المستمر لنا و لأبنائكم فشكراً جزيلاً لكم.

لقد أتاحت الفرصة لأعضاء هيئة التدريس في مدرستنا الابتدائية زيارة مركز الدوحة للمعارض والمؤتمرات هذا الأسبوع ، حيث يُقام معرض الدوحة الدولي للكتاب الحادي والثلاثين. حيث تقوم المدرسة بشراء موارد اللغة العربية لمكتبتنا وللاستخدامها في الصفوف الدراسية كافة.

هذا و قد وصلتنا دعوة هامة من أعضاء السفارة الإيطالية لأعضاء هيئة التدريس في مركز التعليم المبكر حيث تواصل ممثلون عن مؤسسة ريجيو للأطفال مع مركز التعليم المبكر في أكاديمية قطر و ذلك لاستناد مراكز التعليم المبكر في الأكاديمية على نهج وفلسفة ريجيو إميليا التربوي. نتطلع بشدة إلى هذا الاجتماع ونأمل أن يثمر عنه لقاءات أخرى و تعاون دائم.

أتمنى لكم جميعاً قضاء عطلة نهاية أسبوع سعيدة مع أسركم الكريمة.

أطيب التمنيات،

ستيفن ميك

Director's Message

Dear Parents,

I hope that you have had a good week with your family remaining healthy. I am sure that you have been as pleased as I am to see that the number of Covid-19 cases has been dropping in the country. That has been reflected in our school community, with far fewer cases this week than in the preceding weeks. That is very encouraging. Thank you for your ongoing support of your children with their online studies. Attendance online has continued to be good this week in both the Senior and the Primary Schools.

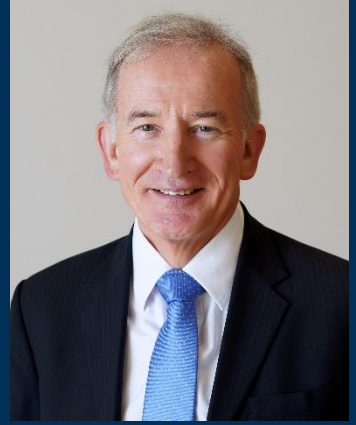

Members of our Primary School Faculty have had the opportunity to visit the Doha Exhibition and Convention Center (DECC) this week, where the 31st Doha International Book Fair 2022 is being held. They will be purchasing Arabic Language resources for our Library and for use in our Homerooms for all aged students.

An exciting invitation came from members of the Italian Embassy who have a pavilion at DECC. Representatives from Reggio Children reached out to our Early Years Faculty because the QAD Early Education Centers are based on the Reggio Emilia educational approach and philosophy. We are looking forward to this meeting and hopefully future collaborations will come from it.

I hope you have a good weekend with your children.

Best wishes,

Stephen Meek

Principal's Message

Dear Parents,

I do hope that you are managing to keep yourselves and your families protected and healthy. Take a look at our Online gallery of student's learning.

As we all look forward to returning to campus (a date not confirmed yet) I would like to share with you some vital information that will hold you and your family in good stead for future living and access in Doha.

Covid Recovery Certificate

I would like to draw your attention to this news [article](#). It states that recovered individuals are eligible for the same benefits as vaccinated people here in Qatar, under the current restrictions. Therefore, if your child has recently recovered from COVID-19, we do suggest that you obtain an official MoPH recovery certificate if they do not have access to the Ehteraz app.. Please try the [MyHealth portal](#) and/or call 16000 for more details.

Currently, QF protocols state that recovered children, should they be a close contact of a positive case at school, would not have to do any quarantine if they have a negative test after contact. They would need to present an official MoPH recovery certificate (or the recovered status on their Ehteraz app for older children who might have a mobile phone).

Please note that protocols and restrictions are subject to change. However, at this point we do recommend that families endeavor to obtain recovery certificates for their recovered children.

Regards

Marie

EEC and Preschool Survey

Dear Parents,

We would like your feedback to help us find out what subjects you would like to listen to on our Podcast. This Podcast is aimed specifically at the learning and development of the children in the Early Education Centers and Preschool. Please click on the link to complete a short survey. We look forward to finding out what subjects you are interested in and creating Podcasts for you.

Counselor's Corner

Greetings from the School Counselor!

You may remember me from morning drop-offs or help at dismissal time. I do many things at school, some of which include teaching lessons about friendships or ways to regulate emotions, working with students in small groups, or talking with them individually when they are feeling upset or overwhelmed.

As with any transition, it can be difficult to adjust to working online fully—for yourselves and your children. I also know that many in our community have been impacted by Omicron one way or another, which can be devastating and stressful.

If you or anyone in your family is in need of support—whether that be a check-in with your student or to discuss greater concerns you have—please feel free to contact me at hdawson@qf.org.qa and I'd be happy to arrange something with you.

In wellness,

Miss Hannah
PYP School Counselor

أطيب التحايا من أخصائية المدرسة الاجتماعية!

ربما تتذكرونني من خلال تواجدي للمساعدة في الصباح وعند نهاية اليوم المدرسي. أقوم بالكثير في المدرسة، من بينها إعطاء الدروس عن الصداقة أو التعامل مع المشاعر، والعمل مع الطلاب في مجموعات صغيرة أو بمفردهم عندما يشعرون بالضيق.

كما أي مرحلة انتقالية، قد تكون هناك صعوبة لديكم أو لدى أطفالكم في العمل عن بعد. كما أنه أعلم أن هناك العديد من أفراد المجتمع ممن تأثروا بفيروس أوميكرون بطريقة أو بأخرى مما قد يسبب القلق والضرر.

إن كنت أنت أو عائلتك بحاجة للدعم عن طريق التحقق مع الطالب أو لمناقشة مخاوف أكبر، الرجاء التواصل معي عبر بريدي الإلكتروني hdawson@qf.org.qa وسأكون سعيدة لمساعدتكم.

Weather in Kindergarten

The children in KG have been exploring weather conditions in their environment. They have been discovering how people make adaptations because of different weather conditions. In KGD They have also been experimenting using different materials to create a winter tree art. Some of the children have been taking online lessons from all around the world like, England, America, Morocco and Germany.
